## PEARL EXPEDITIONS

A bespoke, Australian owned, boutique expedition cruise experience.

Paspaley, Australia's foremost producer of fine pearls and a renowned name in outstanding pearl jewellery, is proud to announce the launch of Pearl Expeditions—a new, distinctly Australian owned, immersive expedition cruise venture. This initiative marks a partnership between Paspaley and cruise industry leader Sarina Bratton, bringing together unparalleled expertise and a passion for exploration.

## DESTINATIONS

The Kimberley will always be our heartland. Each year, we'll spend six months immersed in its vast landscapes, during the region's beautiful and temperate dry season in Australia's North West.

The other six months will take us further afield, to remote and rarely experienced destinations rich in nature and culture:

**Papua New Guinea** – We'll venture deep into the remote corners of this fascinating country, engaging with ancient village communities and learning from the rich, traditional cultures of its people.

**Raja Ampat, Indonesia** – Known as the global epicentre of tropical marine biodiversity, this remote paradise is made up of over 1,500 islands across 70,000 square kilometres of ocean and land. With a small population of just 67,000 people, it is also a sanctuary for rare and exotic bird species.

**Eastern Indonesia** – From Dili to Bali, our journey includes swimming alongside whale sharks in Saleh Bay, witnessing the power of Komodo dragons, attending traditional water buffalo races, and deep cultural connections with local communities.

**Southwest Borneo (Kalimantan)** – We'll search for the "faces in the forest": orangutans, with whom we share 97% of our DNA. Along the Kumai River, we'll encounter not only orangutans but also proboscis monkeys, macaques, and the incredible biodiversity of this untouched wilderness.

SMALL FOOTPRINTS. INFINITE HORIZONS

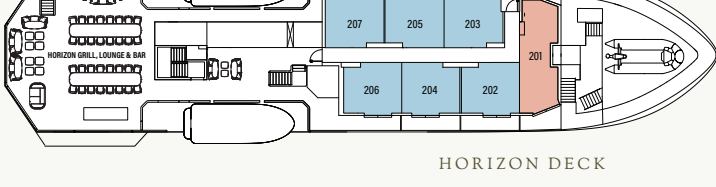

## PEARL EXPEDITIONS - CALENDAR OF EXPEDITIONS 2025/26

| DAY | DEP. DATE | NTS | DESTINATION             | EXPEDITION                                                              | PORTS                                                                                                                                                                                                                                        |
